From: Deputy State Director for Resource Services

Subject: Fiscal Year (FY) 2006 Cultural Resource Management (CRM) Program
Annual Report

DD: 08/17/2006

In response to the Washington Office's (WO) request (reference WO IB No. 2006-097, attached as Attachment 4) for Annual CRM reporting information, the Idaho State Office is requesting the assistance of all Field Offices in completing Idaho's Cultural Resource Management (CRM) Annual Report for FY2006. The WO IB and an early heads-up were previously forwarded to all Field Offices.

As noted in the WO IB, the Office of Management and Budget and the Department of the Interior continue to have an accelerated schedule for submission of the combined Chief Financial Officers/Stewardship Assets. Because of this, WO-240 is asking *States* to submit their CRM annual reports, consisting of numerical data and narratives, no later than August 28, 2006. As noted below, Idaho field offices need to submit data by August 17.

In order for the State Office to compile each field office's information into a consolidated Idaho CRM Program Annual Report, **we are requesting that field offices submit their annual report information no later than August 17.** Field Office annual reports should summarize accomplishments achieved since the beginning of FY2006 and as of the end of July 2006.

As noted in IB 2006-097, BLM must compile this information to comply with the requirements of the Archaeological Resources Protection Act of 1979 (P.L. 96-95; 93 Stat. 721; 16 U.S.C. 470aa *et seq.*) and the National Historic Preservation Act of 1966 (P.L. 89-665; 80 Stat. 915; 16 U.S.C. 470). Field Office data will be compiled by the ISO into a statewide report; statewide data will be assembled by the WO into a bureauwide report and submitted to the National Park Service (NPS). NPS will complete this information for "Secretary of the Interior's Report to Congress on Federal Archaeological Activities." Further information on the uses of the report by BLM and the Department are explained in WO IB No. 2006-097.

Direction: Field Offices are asked to complete and submit the following information by August 17:

1. *Cultural Resource Annual Report* using the attached form (Attachment 1). Please complete all items.
2. *A Narrative Report* summarizing:
 - a. Field Office Highlights. Summarize major annual accomplishments in your unit's CRM program, including implementation of the National Programmatic Agreement, Native American coordination and consultation, collections management and Native American Graves Protection Repatriation Act; major inventories and excavations/data recovery projects; site protection; and other significant program accomplishments not discussed in items b and c, below. Please use MS-Word for these narratives.
 - b. Public Outreach Efforts. Discuss your Office's efforts at promoting public education and awareness of the cultural heritage on public lands. Please use MS-Word Format.

Please keep your narrative responses short and concise. On less significant work, all offices should limit the information provided to short bullets. Please include photos or other graphics of significant projects in digital format where possible. *Please combine Items 2a and 2b in a single MS-Word document.*

3. Cooperative Management Agreements/Challenge Cost-Share Projects: Using the table in Attachment 2, provide a summary of FY2006 cooperative management agreements and challenge cost share projects. Calculate both the BLM and the cooperator input (e.g., money, staff time, volunteer time, materials, etc.) Briefly describe the work accomplished (e.g., inventory, excavation, analysis, outreach) and its location (e.g., name of site or locale where work took place).
4. LOOT Form: In coordination with your respective law enforcement staff, please complete the NPS Listing of Outlaw Treachery (LOOT) form (Attachment 3) for each incident.

National Register of Historic Places. Please identify by name and Smithsonian Site Number, any properties formally *listed* in the National Register of Historic Places during FY2006.

The reporting unit for this report is the Field Office. Please ensure internal consistency with data provided in previous fiscal years.

Any questions on the report should be directed to Stan McDonald, at (208) 373-4043 or by e-mail at stan_mcdonald@blm.gov.

Subject: Fiscal Year (FY) 2006 Cultural Resource Management (CRM) Program Annual Report
DD: 08/28/2006

The Washington Office (WO) is again requesting the assistance of all the Bureau of Land Management (BLM) Field Offices in completing the CRM Program Annual Report. The BLM is required to compile this information to comply with the Archaeological Resources Protection Act of 1979 (P.L. 96-95; 93 Stat. 721; 16 U.S.C. 470aa et seq.) and the National Historic Preservation Act of 1966 (P.L. 89-665; 80 Stat. 915; 16 U.S.C. 470). The data is assembled and submitted to the National Park Service (NPS) to enable them to complete the "Secretary of the Interior's Report to Congress on Federal Archaeological Activities." The data is also used to complete the Public Land Statistics (PLS), the Chief Financial Officers/Stewardship Assets and the Federal Land Policy and Management Act reports, "Public Rewards from Public Lands" report, the Department of the Interior's "Performance and Accountability" report, as well as occasionally respond to Congressional inquiries.

Additionally, Executive Order 13327 of February 4, 2004, on Federal Real Property Asset Management, requiring all executive branch departments and agencies to develop and implement asset management plans, defines historic properties as Federal real property and requires reporting of these assets. There are categories of historic status that will be tracked, in what is called the "Federal Real Property Profile," as the BLM moves towards implementation of the Financial and Business Management System (FBMS).

The Office of Management and Budget and the Department of the Interior continue to have an accelerated schedule for submission of the combined Chief Financial Officers/Stewardship Assets. Because of this, WO-240 is asking States to submit their CRM annual reports, consisting of numerical data and narratives, no later than August 28, 2006. The annual reports should summarize accomplishments achieved as of the end of July 2006.

The BLM State Offices are asked to complete the attached questionnaire (Attachment 1), as well as provide information in narrative or tabular form, according to the following headings. Please keep your responses short and concise.

State Highlights. Summarize major annual accomplishments in the CRM program, including implementation of the National Programmatic Agreement, Native American coordination and consultation, collections management and Native American Graves Protection Repatriation Act (NAGPRA) inventories, major inventories and excavations, CRM publications and brochures, outreach efforts, etc. The States should provide detailed information (i.e., 2-3 paragraphs) on their top 4 or 5 accomplishments, along with graphics to illustrate the work completed.

On the less significant work, all States should limit the information provided to short bullets.

Public Outreach. Discuss your State's efforts at promoting public education and awareness of the BLM's cultural heritage. The BLM's Project Archaeology partner, Montana State University, will collect Project Archaeology information separately.

Cooperative Management Agreements/Challenge Cost Share Projects. Provide a tabular summary of reporting year cooperative management agreements and challenge cost share projects. Calculate both the BLM and the cooperator input (e.g., money, staff time, volunteer time, materials, etc.) Briefly describe the work accomplished (e.g., inventory, excavation, analysis, outreach) and its location (e.g., name of site or locale where work took place). Colorado should describe the Anasazi Heritage Center's accomplishments in a separate attachment.

LOOT Form. Complete the NPS Listing of Outlaw Treachery (LOOT) form (Attachment 2) for any archaeological looting incident.

National Register of Historic Places. Please update your State's list of National Register properties.

Section VI–Enforcement. States are required to collect data on archaeological enforcement and prosecutions from their field offices and compile it for their States. Please coordinate, as necessary, with your Special-Agent-in-Charge in the completion of this section.

The reporting unit is each State Office. Please ensure internal consistency with data provided in previous fiscal years.

A copy of the consolidated CRM Report for FY 2005 can be found on the Heritage Program Intranet website at http://www.blm.gov/heritage/data_06CRM.html. Information on the FY 2005 CRM cost share accomplishments and BLM National Register of Historic Place listings through the end of FY 2005 also can be found at this website, along with the CRM annual report form. All of these documents can be printed.

Any questions on the report, should be directed to Richard Brook at (202) 452-0326 or by e-mail at rbrook@blm.gov.
